RE: Page Mill Road/Interstate 280 Interchange Improvements
VIA email

Dear Representative Eshoo:

The purpose of this letter is to indicate the Silicon Valley Bicycle Coalition's support for Santa Clara County's request for funding from the FY 2011 Federal Appropriations Act for the Page Mill Road/Interstate 280 interchange improvement project.

The Page Mill Road and Interstate 280 interchange has double (two lane) ramps both to and from the highway. The interchange is heavily used and vehicles travel at high speed. Bicycle and pedestrian crossings of the ramp can be dangerous. This project will enhance both bicycle and pedestrian safety.

The Silicon Valley Bicycle Coalition is a nonprofit member-based organization with the purpose of increasing bicycle use and improving safety conditions for bicyclists in Santa Clara County. As the Page Mill interchange is heavily utilized by cyclists, we look forward to collaborating with the County on this project.

Sincerely,

Corinne Winter
Executive Director
